Questions	
QID	Question
1117	Additional Comments:
Response #1	He's been a very good instructive professor. I have really learned and grasped a ton.
Response #2	Professor PK was excellent, very lenient and easy to understand, I thoroughly enjoyed taking his course and definitely recommend it.
Response #3	no additional comments
Response #4	Overall good teacher, wants everyone to do well which is nice compared to some other classes. Not posing homework on canvas, only on webassign/cengage isn't great as its easy to forget with no reminders and the due dates frequently changing. Not posting homework grades on canvas also makes it hard to tell what your overall grade is. Would be nice to have the zooms recorded and posted on canvas as well as it would be easier to review the notes with clear explanation.
Response #5	N/A
Response #6	A great teacher. Very patient and understanding of the fact that we were online and on break.
Response #7	Great class.
Response #8	na
Response #9	great professor!
Response #10	Organized teacher, very helpful, considerate and nice! Enjoyed the class.
