Questions	
QID	Question
1117	Additional Comments:
Response #1	Thank you PK for everything! You are a great instructor-Hadeel Ahmed
Response #2	Was very happy to be in class to help teach. His main goal was for us to understand the math and not only what our grade was, which made me feel comfortable to ask questions.
Response #3	The best teacher ever so caring and cares about his students!
Response #4	One of the best and most caring teachers I have very had. Made sure everyone understood what he was teaching before moving on and also kept the class interesting and that is hard to do with math
Response #5	He was straightforward with what material would be on the test and was very accommodating of the students' needs. He understood the content he was teaching and explained the material thoroughly and in a way that was easy to understand.
Response #6	PK was a wonderful professor, I've always hated math but he made it so accessible and comprehensive!

	Response #1	n/a
	Response #2	none
	Response #3	None
	Response #4	Professor emphasized having an open mindset and being ready to learn in order for the math understanding to come which was very helpful as someone who has always struggled in math and can sometimes think negatively about it.
	Response #5	I think that the professor taught the best he could due to it was fully online.
	Response #6	Please don't use webassign again, it's awful
	Response #7	The course was fairly well paced, though more emphasis could have been placed on the statistics parts of the course and less on the algebra parts.
	Response #8	I usually struggle with math, but because I was taught so well I felt very confident with each exam.
	Response #9	math isn't my favorite, but I loved this class!
