Response #1	n/a
Response #2	The GA was very helpful
Response #3	PK was a great TA, really helpful
Response #4	PK is the best TA ever, he deserves respect and a raise.
Response #5	none
Response #6	PK was always very helpful during both discussion and lab sessions and very clear about how to complete the problems.
Response #7	Was the best and kindest TA
Response #8	PK is an awesome TA who went over all of the material. Unlike other TA's ive heard about, PK goes step by step through many of the discussion problems which really prepared me for the tests and quizzes.
Response #9	Was a very good TA to me and my class. Always taught well and answered questions in need. The discussion classes were very useful and I would learn a lot from them.
Response #10	Helped me to better understand concepts learned in lectures

Response #11	He was the best TA I could have ever wanted. He honestly is the only reason I am doing so well in this class. Is great in lab and discussion, amazing at explaining complicated problems.
Response #12	n/a
Response #13	PK was a saving grace in this class for those that needed it. I had already taken a similar course before but those that I know that struggle with this kind of material gained a lot of insight through PK's teachings. He was helpful during lab as well as discussion in explaining concepts when they got confusing.

1117	Additional Comments:	
Response #1	He helped us due better in our quizzes by going over the quiz material before we started so we would have as much preparation for the test as we possibly could.	
Response #2	PK is a really good TA	
Response #3	PK was an amazing TA, and made me want to come to discussion and lab. He was very clear with his discussions and always cleared up any questions that anyone had. In addition, he is very approachable and kind, and shows that he really cares about our learning.	
Response #4	PK was one of my favorite TA's that I have had so far here at the University. He was always so friendly and helpful with his worksheets and discussion quizzes. Huge thank you goes out to PK!	
Response #5	None	
Response #6	PK was absolutely wonderful. He always had a great attitude and always made me smile. His teaching was great, and I found it very helpful in understanding the material. You could tell that he truly wanted all of us to succeed, and was very respectful to each and every student.	
Response #7	PK was very helpful and very good at explaining topics in a way that I can better understand.	
Response #8	none	
Response #9	Best ta I've ever had. Great energy	

Response #10	PK is the best TA I have ever had! He was much better at explaining the concepts than the professor and was so helpful during lab sessions. He would always make sure all the students were on the same page as him when doing labs and discussions. He went step by step to make sure that students were following along.
Response #11	PK is honestly the best TA that I have ever had. I usually come out of lecture a bit confused and PK explains the concepts in discussion and lab extremely well that I almost think if he had taught the original lesson, I would have completely understood it. I'm not trying to exaggerate, but I really think he is great at explaining things and also is a fun TA to be around. He often makes jokes that are actually quite funny and talks about some topics with us before class starts to get the class engaged during and before the period. You may feel high expectations from this assessment, but you're really that great! (-Andrew haha)
Response #12	Was a awesome TA and have built student-to-TA connections
Response #13	Very solid TA who would always help out and always explained topics in a very well organized and understandable way
Response #14	best TA i have had in any math class
Response #15	n/a
Response #16	Pk was very easy to talk to and he was very helpful. He explained things in a very clear way that was easy to follow and was able to answer any questions we had. I always felt very prepared for the discussion quizzes because I felt like I had a pretty good understanding of how to solve the problems.
Response #17	A great TA. He was incredibly knowledgeable, prepared, and taught us in multiple forms so we would understand and remember
