Response #1	The instructor did a great job at supplying us practice and assisting us with questions.
Response #2	The assistant was very interested in teaching us how to thoroughly complete the problems learned in class.
Response #3	he was good
Response #4	The graduate assistant was very good at helping students to understand the content so that we could be more prepared for our quizzes later in the week.
Response #5	Pascal was great! The material was very hard but he tried his best to go above and beyond to make sure that we would learn effectively.
Response #6	Really learned a lot from this TA. Was always there to help when you needed it.
Response #7	Pascal was very nice and unfortunately, we were a very quiet group so he taught us and if people asked questions he would answer but most of the time it would be him showing us how to solve certain problems. Would love to have him again in a non-virtual setting.
Response #8	Excellent TA, very passionate about MATH241 and cared about his students. Put in the extra work to help his student's succeed.
Response #9	great teacher, very enthusiastic about the course. no complaints
Response #10	My TA was very helpful in reviewing concepts and answering my questions. Additionally, my TA was enthusiastic during our discussions which made the discussion more enjoyable.
Response #11	PK was great at presenting the information in a way everyone understood. He also was great at showing all options for how to complete a problem and pointing out key parts that could make a big difference. His instruction was always clear and covered as many different points as possible. PK's teaching enhanced my learning of the topics significantly.
Response #12	Very helpful and had accessible office hours to receive help.
